**CANCER DRIVE WILL BE BOOSTED AGAIN BY CLUB SATURDAY**

Stand by for another Saturday . . . another Saturday against cancer.  
That, succinctly, is the cry again of the 20-30 Club, which last Saturday staged its "block of quarters" campaign to bolster its fund to help the fight against cancer. And, according to Cancer Drive Chairman John Lenton, it's going to happen again. This Saturday, parade day, the tape will be out once more on Sartori avenue between El Prado and Marcelina.  
"The block of quarters drive brought us \$280 last week," Lenton said. "We want to do it again . . . and do more."

**Body Of Torrance Marine Due Here From Overseas**

Due to arrive in Torrance in the near future is the body of Private First Class Herman Walker Jones, United States Marine Corps, whose next of kin is Mrs. Cleo D. Barnett of 815 Cota avenue, according to recent Army announcement.  
The remains are being brought to this country aboard the United States Army Transport Albert M. Lee, which is expected to dock in San Francisco within a few days.  
The army officials said that he is one of 113 war dead from California who will be among the 1941 Americans on board the vessel. All are said to have lost their lives in Pacific island campaigns.
